Benefits of Membership

Since its inception in 1972, Twin Cities Camera Club has been offering its members:

- Opportunities to improve skills through participation in informational programs, regular critique and one-on-one contact with experts in various types of photography
- Lending Library of equipment, books, and videos for members' use
- Opportunities for hands-on learning experiences designed to sharpen all levels of photographic skills
- Participation in club organized field trips
- Positive professional critique of prints and digital images to assist in learning photographic skill development
- Fellowship with others who share your appreciation of photography and desire to improve their photographic skills
- An opportunity to explore the use of post processing and photo editing techniques and have your images critiqued accordingly
- Opportunities to participate in regional photography events and competitions
